

MEMORANDUM

TO: AZ Authorized Dealers

FROM: Aliyah Carter, Dealer Licensing

DATE: July 2, 2021

SUBJECT: PUBLIC SAFETY FEE REPEALED AS OF JULY 1, 2021

This is a reminder that must be shared with all processors. Do not add the Public Safety fee to any transaction.

Governor Ducey has signed the budget into law for this fiscal year. As part of that budget, the Public Safety Fee (\$32) was repealed and MVD is to provide refunds for customers who paid the fee for June 30, 2021 registrations. If you receive questions from customers regarding the refund, please provide them with the following information:

ADOT is aware that ARS 28-2007 was amended this week to refund the \$32 public safety fee to owners of vehicles with a June 30, 2021, vehicle registration expiration date who renewed their registration prior to July 1, 2021. This change was finalized June 30, and MVD is working to determine the most efficient and lawful way to refund customers.

If you have any questions, please contact Dealer licensing at MVDLU@AZDOT.GOV

Thank you for your cooperation.
